

Indicator 3E, Institutional Emphasis on Quality Teacher Education and Reform

Measurement subparts, 3E 2a and 3E2b - student performance on professional exams for teacher education.

Report for Performance Year 11, 2006-07

Measure: 2 subparts assessing (a) percentage of students passing the professional knowledge examination of the National Teachers Examination (or equivalent) and (b) percentage of students passing the specialty area examinations of the National Teachers Examination (or equivalent). For measurement details, see Performance Funding Workbook for Year 9, October 2004, pp II.73-II.79. The measure is based on students completing programs who took exams, including all takers and not just first-time takers. For detailed data related to individual examinations and results included for each institution, see CHE Publication, "A Closer Look at Public Higher Education in South Carolina, January 2007," pp 77-78

As of Year 6, this indicator is applicable to all institutions in the Teaching University Sector for scoring purposes. Although this specific indicator is not applicable to Clemson and USC Columbia for scoring purposes in performance funding, these institutions continue to report their teacher education exam data and results are incorporated into scored performance for Indicator 7D, which is an aggregate measure of performance across a variety of exams.

NOTE: Data presented are for performance funding year 11, 2006-07. Results measured encompass the preceding April 1 to March 31 time period. For Year 11, Apr 1, 2005, to Mar 31, 2006, results apply.

3E 2b, Percentage of Students Passing Specialty Areas

	Year 11, 2006-07, Performance Data		
	Results from Apr 1, 2004 - Mar 31, 2005		
	# Passing	# Tested	% Passing
<u>Teaching Universities Sector</u>			
The Citadel	115	134	85.8%
Coastal Carolina University	220	253	87.0%
College of Charleston	402	427	94.1%
Francis Marion University	118	132	89.4%
Lander University	18	24	75.0%
SC State University	34	34	100.0%
USC Aiken	132	166	79.5%
USC Beaufort		not applicable	
USC Upstate	238	273	87.2%
Winthrop University	456	486	93.8%

Note: Clemson and USC Columbia's results are incorporated in performance indicator 7D. For these exams, **Clemson had 614 of 708 pass for 86.7%** and **USC Columbia had 411 of 442 pass for 93.0%**.
